

CA SWAGING & CABLE PRODUCTS CO.

SUPPLIER TERMS AND CONDITIONS

In addition to requirements noted on each CSCP purchase order, suppliers must comply with these T&Cs according to the commodity supplied.

General Terms and Conditions	
QA 1	Machining suppliers must furnish inspection report, certificate of conformance and as applicable material and processing certifications for the parts, they submit to CSCP
QA 2	Documented FAIRs shall be submitted to Quality prior to the beginning of production. The supplier assumes all financial responsibility for replacement, rework, and material when production of parts is begun without first article inspection approval from quality. AS9102 f/a form when stipulated on the Purchase Order
QA 3	Any delay in shipment for any reason must be conveyed to CSCP quality as soon as the delay is known by the supplier.
QA 4	Any change to the Purchase Order requirements by the supplier must be approved by the CSCP in writing. Notify CSCP of changes in product and/or process, changes of suppliers, changes of manufacturing facility location and, where required, obtain CSCP approval.
QA 5	All information on the Purchase Order must be held in confidence by the supplier and no third-party request for information will be authorized unless instructed in writing by a CSCP representative. When ITAR and/or government rated data is noted on the purchase order, the US government restrictions must be followed. If you have any questions concerning ITAR or government rating notify the company buyer. All concerns must be answered prior to you accepting this order. All documents to be retained for 10-year min unless extended retention is required by CSCP or its customers.
QA 6	In addition to CSCP's right of access, the supplier agrees to right of access for CSCP customers, or regulatory agencies to all facilities at any level of the supply chain, involved in the order and to all applicable records in the performance of this Purchase Order.
QA 7	Manufactures or machining suppliers must have a quality system in compliance to AS9003, AS9100, or ISO9001; CSCP may make conditional exceptions based on supplier survey information or applicable customer requirements.
QA 8	Suppliers are required to obtain documented approval from CSCP prior to transferring any work to a new facility.
QA 9	Supplier must have a process to control counterfeit parts from being delivered to CSCP. This includes a product produced or altered to imitate or resemble a product without authority or right to do so, with the intent to mislead or defraud by passing the imitation as original or genuine.
QA 10	Arrangements for CSCP's approval of the supplier's disposition of nonconforming material. Suppliers must maintain product conformity rating of 95% and On-time delivery rating of 90% minimum.
QA 11	Requirements for the supplier to flow down to their sub-tier suppliers the applicable requirements in CSCP purchasing documents, including key characteristics and applicable F.O.D. control processes where required.
QA 12	Requirements for the supplier to comply with executive order E13224. Supplier shall not engage in any transaction of any type with persons or businesses or organizations who commit, threaten to commit or support terrorism.
QA 13	Supplier shall comply with AS9100 and 14CFR part 21.2 regarding the application of acceptance authority media requirements. Use of AAM is considered as a personal warranty of compliance and conformity of the product/service supplied.
QA 14	Supplier must ensure that its personnel are aware of their contribution to product/service conformity and product safety and the importance of ethical behavior.
